All -- a very rough first draft of a Communications strategy should USGS release their report on Monday next. I took a first shot to reduce the demands on our scientists working on our own report.

Please take a look at your earliest convenience, correct errors, add items, etc.

Paula -- looking for the url for the Pavillion site and a rough count of the documents we have posted.

Could you please share with Jim O'Hara and Dave Jewett? Others?

Thanks

Jim
